

### Website Photo Permission

In order to have your child's picture on our team website, we must have a signed release. Absolutely NO names will be listed with the photographs. \_\_\_\_\_ ( print parent name), give my permission to have pictures posted on Trojanswimming.com of my swimmer/diver (child). I understand that the child's name will not be listed next to any picture but agree to have his/her likeness posted on the team website. If I have any problems with a picture that is posted on the website, I can contact team photographer, Zack Rivette, and he will have the picture removed.
