MEET ENTRIES

An individual may be entered in no more than two individual events and 2 relays, or 1 individual event and 3 relays throughout this meet. A relay event counts once a swimmer swims the event. Relays must be comprised of swimmers listed in the master team entry. Relay cards will be available during warm-ups and must be turned in no later than 8:30 AM. Per national Federation rules, you must indicate the 4 primary swimmers and you may indicate up to 4 alternates. The actual swimmers in the event must be from the swimmers listed on the original relay card.

Each school may enter no more that 4 varsity swimmers in any individual event and 2 varsity relays per relay event. We are limiting entries to 225 swimmers in order to keep the meet at a reasonable timeline and number of swimmers.

We will not run separate events for JV swimmers. If you have JV swimmers, they will be seeded as exhibition swims (last) and will not score points or be eligible for awards. The limits for number of swimmers and entries above also applies to JV swimmers. Please list your JV entries on a separate entry form.

Once submitted, swimmers may not be added after the entry deadline. Swimmers may not change events after the entry deadline. Another swimmer may not replace swimmers who do not show.
